Executive Headteacher: Mrs J Hampson

Welcome back to school. I hope you have had a lovely break.

The children had a super term last term and we are very proud of them and look forward to seeing their ongoing progress.

I would just like to say a big thank you for all of your kind gifts and cards that you gave for Christmas. They were much appreciated and enjoyed.

Our topic this term is 'Why can't a Meerkat live in the South Pole?' during this topic the children will be focusing on geography and will be learning about climates and countries around the world. They will also be looking at what animals and humans need to survive and where they can get that from.

In literacy we will be focusing on three key texts. These are Meerkat Mail, The Emperors Egg and Lost and Found. These are lovely texts and I am sure the children will thoroughly enjoy the focus.

P.E

P.E will be on a Wednesday afternoon, so please can you ensure that your child has their P.E kit and that earrings are taken out or a plaster is placed over them prior to coming into school.

Curriculum in Action

Our curriculum in action assembly will be on Wednesday 7th February at 9am. This is a great chance for you to come and see what your child has been learning throughout the term and also a chance for you to look in their books.

Newsletter

Spring Term 1

2018

Reading

Books will be sent home daily. Please can you sign the book so we know that you have read at home.

The children also have daily class Guided Reading sessions in school to improve their understanding of the language used in books. These sessions are a big hit with the children.

Spellings

Children will be bringing home spellings on a Friday and they will be tested on these on the Thursday. Please can you ensure children practice these spellings.
