Dear Parents/Carers,

Welcome back after the Easter break, we hope that you all had a lovely time!

We have outlined our topics and what we will be covering on our half termly planner which can be found on our school website. Please continue to look at our school website which outlines all the important dates in our school calendar.

At the end of term we are planning to have another showcase of the children's learning that we hope you will all be able to attend, dates are to follow.

We look forward to continuing an exciting year for us all,
The Year 3 Team

Please continue to encourage your child to read at home as often as possible and ask them to tell you about the book that they are **reading**. This will help them to score well on their book quizzes in school and develop their comprehension skills.

We believe children should have as many opportunities to socialise and play as possible. Our homework expectations are as follows;
Daily homework - Read at home with a family member (10 minutes is enough)
Weekly homework - Spellings and times tables (10 minutes practice per subject)
Pick 'n' mix - Four per half term

Physical Education

This term children will be going swimming on a Monday afternoon.

Please make sure they bring their swimming kits. They may bring a healthy snack for afterwards as we understand they may be hungry afterwards.

Year 3 Newsletter Summer Term (1) 2017

Term topic: Why do so many people choose to the Mediterranean for their holidays?

All our English, History and Geography work will be based on our topic. Our Pick 'n' mix homework will continue this term with six new tasks. Please help your child to complete a minimum of four tasks per half term. If children wish to complete their tasks on a computer then a USB can be brought to school and their work can be printed for them in school.
